

Now for the first time you can experience the best of all worlds: the sophistication of a 2-door, 4-seater coupé, the sporty playfulness of a glass sunroof and the freedom of a convertible. At the touch of a button, you can leave the road and enter the sky. The Volkswagen Eos combines all three roof options in style, featuring a sleek design and luxurious interior that allows you to expose yourself to the elements in complete comfort.

Named after the Greek goddess of the dawn, bringer of light, the Eos is a truly remarkable vehicle that lives up to its name by ushering in a new age of hardtop convertibles.

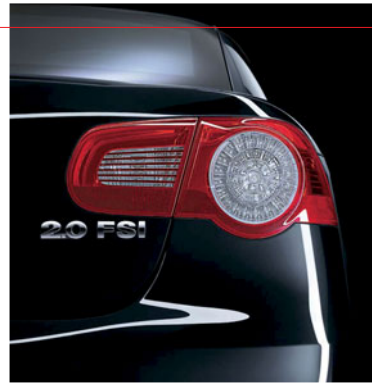

Air conditioning. Wind.  
Interior light. Moon.  
Satellite Navigation. Stars.  
The Eos is all about perspective.

Stop to smell the roses without taking your foot off the accelerator. Let the sun rise from the dashboard and set in the backseat. You'll be amazed at how quickly the familiar takes on new meaning. How everyday, mundane scenery is transformed when vast panoramic horizons suddenly encompass you.

It's the same journey in a different way. With sensual looks, agile handling and powerful performance adding to the elegance and enjoyment of every single drive.

Refresh. Reconnect. Rediscover your senses with the Volkswagen Eos.
